

How to activate a payment card received via post?

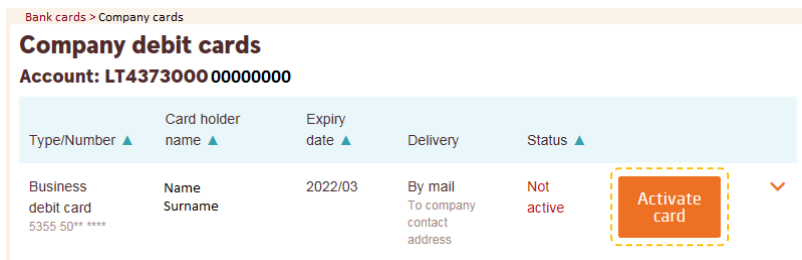

Please start card activation process only if you have received yours company business payment card and PIN code envelope (PIN code envelope will be sent for you only if you have ordered new card) and card envelope or PIN code envelope is not damaged.

In order to successfully use the card received by post, you have to activate it in "Swedbank" Internet Bank for Business. Before activating the card company's manager has to sign the card agreement. If agreement is not signed yet, it can be done:

- in "Swedbank" Internet Bank for Business during card activation process. To ensure successful signing of the agreement, company's manager has to be named as a sole manager of the company in VĮ Registrų centras and connect to the „Swedbank“ Internet Bank for Business by using the qualified e-signature (mobile signature, ID card, VĮ Registrų centras USB) or Smart-ID;
- at any branch of the Bank. When the agreement is signed at the branch, any Your authorized representative of company, having profile „All transaction“ to card account, will be able to activate the card in the „Swedbank“ Internet Bank for Business.

1.

On the "Swedbank" internet banking site, in the section "Company cards" find card that you want to activate (cards status will be „Not active“) and click the button "Activate Card".

Bank cards > Company cards

Company debit cards

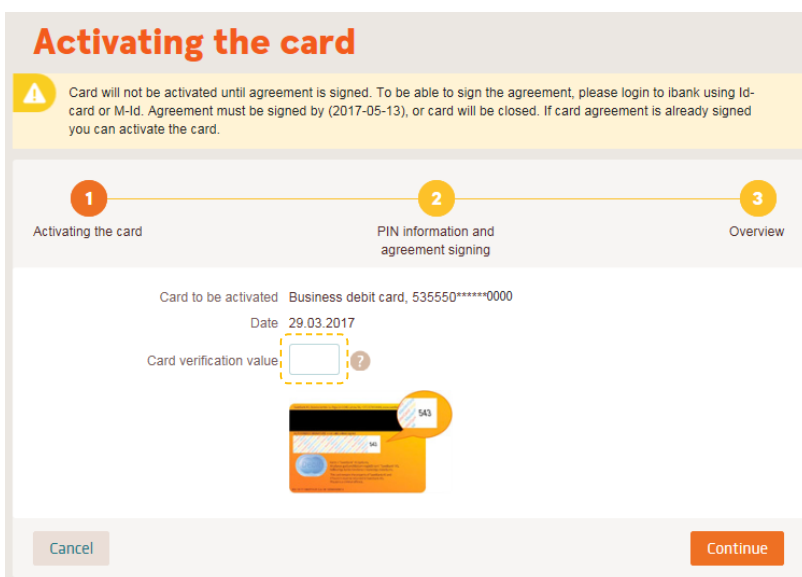

Account: LT4373000 00000000

Type/Number ▲	Card holder name ▲	Expiry date ▲	Delivery	Status ▲
Business debit card 5355 50** ****	Name Surname	2022/03	By mail To company contact address	Not active

Activate card

2.

Now you can start card activation process by entering CVV / CVC2 code (the last three digits of the code on the reverse side of the card).

Activating the card

⚠ Card will not be activated until agreement is signed. To be able to sign the agreement, please login to ibank using Id-card or M-Id. Agreement must be signed by (2017-05-13), or card will be closed. If card agreement is already signed you can activate the card.
