

Swedbank Cookies Policy

Your data security is important to us. We value your trust and are committed to protect and process your personal data in a responsible manner. This document contains information on how we process your personal data using cookies.

What are cookies?

Cookies are text files containing small amounts of information, which your computer or another device (for example, a mobile phone) downloads when you visit a website. These cookies are placed in your browser. Cookies are sent to your devices in order to store data and to enable the company responsible for the cookies to restore and update them.

Do all cookies perform the same function?

No. There are cookies of different types, just as different methods of using them. Cookies can be classified by purpose, duration of storage, and location on the website.

How can I change cookie settings?

You can select cookies that you accept or block by changing your browser settings at any time.

If you do not want to store cookies on your computer or another device, you can select an option of a prior notification of cookies in your browser settings. You can also select a setting of rejecting all or some of the cookies immediately. You may also delete any cookies that have already been stored in your computer or another device. Please note that in such a case you will have to select settings for each browser and device used. Each browser uses a different method of applying settings. If necessary use your browser's manual for the proper selection of the settings.

What are my rights?

You have the right to:

- Receive from Swedbank, AB information on your personal data processing;
- Demand to correct untrue, incomplete and inaccurate personal data;
- Demand to stop processing of your personal data for direct marketing purposes.

How does Swedbank ensure my personal data security?

Your personal data collected by cookies is processed in accordance with the provisions of the Republic of Lithuania Law on Legal Protection of Personal Data, Law on Electronic Communications and other legal acts governing the protection of personal data. We apply statutory security measures that prevent unlawful disclosure and unauthorised use of your personal data.

Do you have any questions concerning cookies used by us? Please call us on **1884**, write us an email to info@swedbank.lt, or visit a branch of Swedbank, AB.
